

PCMS Hi-line Dragstrip  
Annual meeting minutes  
April 1<sup>st</sup> 2023 Tin Cup Malta

Meeting was called to order by President Dan Stout at 4:34pm.  
Race posters and cards were available to anyone to hang around their areas.

MDRA

Shane reported that there was a new rule about racing classes. A racer can race in different classes, but with different cars. Cannot race more than one class with same car. If a racer is registered for multiple classes they will NOT be allowed to transfer points from one class to another. If a racer is only registered in one class they may transfer show up points and bonus points in the event of a breakage. No points for round wins will be transferred.

WDRA Shane reported that we have made the switch and that most rules are the same. You will keep your X number. Kari reported that licenses need to be transferred before the first race and that can be done on the website at [racewdra.com](http://racewdra.com) for \$1. Junior parents please read your rules as there are a few changes. Rule book is online. We are excited for this new change and hope you are too. Please ask questions to your board members.

Drag N Drive there are some people working on doing a drag N Drive come the summer of 2024. Basically this would consist of volunteers and VHT, EMT's would be with the drag N drive so no cost to us there. There will be more details as more tracks are visited with and make sure it could work for everyone.

Please pay pot spots by May 1<sup>st</sup> or they are considered open.

Board reported that there will be no electric cars allowed this year. This is mainly due to the damage they can cause if caught on fire.

## Board Elections

Up for election this term is Frank Baldik, Denny Overcast and Steve Neiffer.

We had a nomination by Gary Mathwich of Chris Caven, Stacey 2<sup>nd</sup>

After the ballot voting by members only your new 3 year term recipients are Frank Baldik, Denny Overcast and Chris Caven.
